Boy Scouts from Bethel Troop 565 hold up Old Glory during Memorial Day ceremonies on the Bethel town common. Rev. John Grant, who was taken prisoner along with 82 others when North Korea captured the U.S.S. Pueblo in 1968, urged greater support for veterans. The Bethel ceremony was one of many remembrances held throughout the area Monday. Other groups taking place in local events included the Jackson-Silver and Mundt-Allen American Legion posts and auxiliaries, the Bethel Veterans of Foreign Wars Post, Telstar High School Drum and Bugle Ensemble and the Bryant Pond Daughters of Union Veterans of the Civil War.

## Diamond playoffs begin

Top-seeded girls play at home Sat.

Boys away at Erskine Thursday

By WENDY HANSCOM

The Telstar High School softball team begins its 12th run for the State Class B championship at home on Saturday.

The western Maine top-seeded Rebels finished the regular season with a 13-1 record. Their only loss was to Class B Lisbon, 6-5.

Two years ago Telstar won the Class C state championships. Last year, the Rebels were eliminated in the playoff semifinal by the ultimate state champs, Madison.

Along the way to the playoffs the Rebels posted some impressive statistics.

Strong pitching by senior Stacie Kangas set the pace for the Rebels this season. Seniors Danielle Bernier, Jen Percival, Noelle Gauthier, Pam Bennett and Kangas all had hot bats, while Percival, Kangas and Bernier anchored the defense.

S.K. = Ks

To report that pitching was the Rebel's strength this year is an understatement.

Kangas got her 53rd career victory in her fourth and final year of Rebel pitching.

This season she threw three shut-outs, two no-hitters, two one-hitters, two two-hitters and four three-hitters.

Kangas gave up only 13 earned runs in 88 innings, which gives her an earned run average of 1.03.

She struck out 86 batters, while only walking four this season—an outstanding 21.5 to 1 ratio. "It's probably the best in the state in any class," said Coach Jim Lunney.

Hot bats also helped lead the

By WENDY HANSCOM

For the first time in three seasons, the Telstar baseball team has qualified for the Western Maine Class C playoffs.

The Rebels were State Class C Champs in 1989, but went into a drought the following year. This year, the team finished the regular season with a 7-7 record and seeded 11th in western Maine Class C, clawing their way back into the playoffs.

The boys will face Erskine Academy in South China Thursday. Game time is tentatively set for 4 p.m.

The Rebels got off to one of the team's best starts in recent history, winning three out of the first four games.

Telstar finished the last week of the regular season with two wins against Mt. Abram and Madison, and a season finale loss to Winthrop.

Coach Bob Remington predicted earlier in the season that Rebel pitching could lead the team into the playoffs.

Sophomore Tim Remington, junior Sean Gilson and senior Nathan Emery faced the majority of rival bats this season.

Remington faced 139 batters in 37.1 innings and posted a 2.06 earned run average. He allowed 27 hits and 17 runs, struck out 55 batters and walked 11.

Gilson struck out 31 and walked 23 of the 123 batters he faced this season. He allowed 30 hits and 21 earned runs in 22.2 innings for an ERA of 6.49.

Emery recorded a 8.05 ERA facing 118 batters in 20 innings

## Bethel candidates make their case

On page two of this week's Citizen the candidates for Bethel Board of Selectmen and School Board tell voters why they are seeking office.

Bethel will elect its new town officers Tuesday, June 8. Polls, at the Bethel Fire Station, will be open from 10 a.m. to 8 p.m.

The business portion of Bethel's Annual Town Meeting will be held the following day. Next week's Citizen will preview the issues facing voters this year.

## Chamber receives \$22,500 grant

The Bethel Area Chamber of Commerce has been awarded \$22,500 from the United States Forest Service and the Maine Service under the Economic Diversification Studies Program.

Robin Zinchuk, executive director of the local group, said the project will involve a Background Study and Strategic Plan for Economic Diversification and Development in the Bethel/Evans Notch Region. The project will be conducted over a twelve-month period from August 1, 1993 to July 30, 1994.

The Chamber of Commerce is currently seeking consulting services for the execution of the project. A project consultant will be selected on the basis of past experience in economic development and natural resources in a rural setting, demonstrated ability to execute a successful research and planning study and familiarity with the local area.

The study and strategic plan will result in a base-line study; a written summary report containing recommendations for future activities, and a process for involving the community in both the study phase, and in prioritizing options.

See GRANT, page 9

## Gould grads urged:

## "Make the world a better place"

By KIRK SEIGEL

Massachusetts Secretary of Environmental Affairs Trudy Coxe interrupted high-level talks with Massachusetts Governor William Weld Friday, in order to keep her engagement as keynote speaker at the Academy's 157th commencement.

The graduating class also heard from a senior valedictorian who was home-schooled at his family's remote northern Maine sport camp, before coming to Gould as a junior last year.

Coxe, who directs one of the nation's largest and most comprehensive state natural resource protection agencies, quipped that she told Governor Weld yesterday that "I have to get up to Gould," to deliver the commencement address. Coxe said that she met a farmer in Bethel who said, "The trouble with milking cows is they never stay milked," which she compared to two essential never-ending processes—learning and working to improve the planet.

Coxe, who led the 16,000-member Rhode Island conservation group Save the Bay to national prominence, drew on many examples of individuals who have made a difference in the world.

She spoke of a woman whose family had harvested clams for 10 generations, until pollution closed the clam flats and she went to work in a box factory. "Lena Ritter got tired of making boxes, and brought her call for clean water to lunch rooms and board rooms," said Coxe. "Today, Lena is harvesting clams in the once-polluted clam flats."

Coxe's spirited talk exhorted the 63 Gould grads: "Your educational degrees matter less than the degree to which you use your gifts to make the world a better place." She warned them that the hardest decisions they would make would involve being honest about what they love in life, and urged them to find paths that lead them to work that they love.

Valedictorian Eric Stirling of

Greenville echoed some of Coxe's comments. In honoring teachers who have influenced the seniors' experience, he noted that nature herself had been one of his most influential teachers.

Stirling, who had never entered a classroom in his life until his junior year at Gould, said "The pond near my home in Greenville has 20 times more animals than the biology supply store."

Besides being the top-ranked senior in academics, he was a varsity runner and skier, a member of the National Honor Society, a student leader, and passed his sport camp experience on to fellow students and teachers by teaching fly-tying and fly-fishing.

Stirling will attend Bates College in the fall.

Headmaster Bill Clough, who will mark ten years at the helm of Gould Academy this fall, awarded senior honors, and Al Ordway, Board of Trustees' president for the last 14 years, awarded diplomas.

HEADED FOR THE OM WORLD FINALS—This Telstar Middle School Odyssey of the Mind team, front row: Lauri Young, left, Michelle McInnis, Katie Chapman and Caitlin Bass; back row: Martha Grover and Teri Chadbourne, will compete in the OM World Finals June 2-5. Nearly 5,000 students from across the U.S. and 20 other countries will gather at the University of Maryland College Park campus for the international event. At the competition, approximately 700 teams will present a solution to a "long-term" problem worked on during the school year. The teams must also solve a "spontaneous" problem presented on the day of the competition. The Telstar team's long-term problem is "The Old Man and the Sea Analogy." The team's presentation is based on Hemingway's classic, "The Old Man and the Sea." The performance incorporates a parody or an analogy of the team's interpretation of the story.

## Why I'm running

The Citizen has invited candidates for the Bethel Board of Selectmen and SAD 44 Board of Directors to tell voters, in their own words, why they are running for town office and what they hope to accomplish if elected.

There are five candidates for the Board of Selectmen, three for the School Board. Next Tuesday voters will elect two people to each board.

Here's what the candidates have to say.

--MRD

## For Board of Selectmen:

**Robert Chadbourne**

I have been very fortunate to have had the opportunity to grow up in Bethel, attend Bethel schools, raise a family in Bethel, and operate a business in Bethel. It is my desire to assure future generations are afforded the same quality opportunities.

Past activities include my being a member of the Bethel Planning Board, president of the Bethel Chamber of Commerce, and president of the Maine Forest Products Council.

Currently, I am president of P.H. Chadbourne & Co., chairman of the board of Farm Credit of Southern Maine, director of the Maine Forest Products Council, a member of the Bethel Budget Committee, and a director of the Bethel Area Chamber of Commerce.

It is my goal to offer more challenging and rewarding job opportunities to the youth of the area. I believe this goal is a real possibility, if we present a business climate that is receptive to the many opportunities for quality growth in our local economy.

I consider myself an environmentalist and a conservationist. Although some regulation is necessary, quality development through example and education is much better than through regulation.

This past year a facilities committee prepared a list of long-term capital expenditures. This committee did a very thorough job identifying long-term needs and/or wishes of the community. More thought has to be given to the income side of this project and a budget prepared that is affordable to the taxpayers.

The budget that will be considered at the Town Meeting calls for a tax increase in excess of 13.6 percent, prior to the consideration of the SAD 44 assessment. I believe this budget is excessive and I fully support the Budget Committee recommendations that I believe provide for quality programs that are more affordable (5.2 percent). It is important that the town provides quality services that are affordable to the taxpayers.

I can make contributions to the Board of Selectmen that will help us to maintain a desirable quality of life, while offering opportunity to our citizens.

--Robert Chadbourne

**Dr. Harry Dresser**

I am seeking office as a Bethel selectman because I am interested in serving the Bethel community. On several occasions in my 14 years in Bethel, I have done public service, and the time has come for me to seek an opportunity to serve again.

A number of years ago I served as an SAD 44 Director filling an uncompleted term and achieving reelection on completion of the term. More recently, I have served at the pleasure of the selectmen as a member of the Computer Committee, which reviewed and recommended hardware and software for the Town Office, and as chairman of an ad hoc Noise Ordinance Committee which worked on resolving differences among a number of town residents and club owners. I am currently serving on a committee at the Bethel Area Health Center that is investigating the possibilities for supported living residences in the Bethel community.

Bethel holds many different promises to its various populations--it's a productive place to work, a healthy place to raise children, a profitable place to run a business, a peaceful place to retire, an historical village to preserve, and an environment for which to provide stewardship.

The Bethel selectmen will continue to be challenged to serve the town in ways which make it possible for all of these promises to be realizable. It will be increasingly important that those who help the town with its decisions show responsiveness to the needs, and means, of Bethel's citizens. I'm anxious to help the town find ways to meet its bright future within the means of its citizens.

As a Maine native with experience in farming, industry and education, with an educational background in science, education and administration, and with 20 years of professional experience as a decision-maker, I am well-qualified to represent the interests of the citizens of Bethel. I would appreciate the opportunity to be part of a town government that is responsive to the ideas, dreams, concerns and talents of the town's citizens.

--Dr. Harry "Dutch" Dresser

**Francis Dumont**

I have been a Bethel resident for approximately seven years, moving here with my wife, Barbara, son Adam (now age 8), son Simon (now age 6), and now the newest member Felicia Katrie (age 8 months).

We are the owners of the Pleasant River Motel in West Bethel. I also work as a drywall and handyman in the Bethel area.

I have been a member of the Bethel volunteer Fire Department for five years. I am a member, for three years, of the Bethel Planning Board.

Now that I have introduced myself, I want to tell you WHY I am running.

My definition of selectman: Another person like myself, not having to look up to but eye to eye. Someone to listen to my problems and needs and honestly having them heard.

When I sat down and thought, "Why do I want to run for selectman?", I made a list:

--I want people to be heard.  
--I want to be fair to the people.  
--I want to be honest and let the people know what's happening in their town.

--I feel the town should be heard and they should help make these decisions. That is what a board is for--the townspeople. The people should have a say.

--I want the people to be able to come to me knowing that I will pay attention and be honest and fair.

--I won't pass things on that should be dealt with by me but will stay within my limits.

Now--what I would like to work toward:

--no miracles.  
--no promises.

Owning my own business and having to deal with the public can only help me at being a selectman. This is the type of community we live in. Not that I want a big city--I don't (I moved to get away from that). I just want it to be able to take care of itself in a very honest and neighborly way.

One thing I feel strongly about are children and their futures. We need to show them how to work together and compromise.

People who know me know that if they come to me for advice I will be honest and straightforward.

I know I can't make everyone happy, but if you listen, be honest and fair I feel only a good outcome can be made.

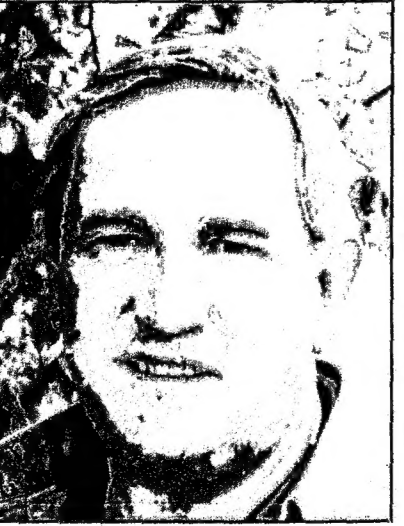

Being a selectman is a thankless job, but if you take the job you are there to represent the people always--you are there because the people put you there.

I am glad to see so many people running for this job. It shows that people are interested in their town.

The Bethel Citizen asked for 1,000 words--but what I need to say is short but to the point--that's the way I like it!

Get out and vote!

--Francis Dumont

**Harry Faulkner**

It is once again time for the people of Bethel to take to the polls and cast a vote for the people who will represent their interests for the next three years.

It is a very serious responsibility, and I would like to speak to those of you who, for one reason or another, oftentimes fail to vote.

We have been on a path of leadership for the past two decades that has seen our taxes double, triple, and for some of you probably quadruple. I have watched the past number of years while our taxes go up and the level of services available to us go down.

If this is acceptable to you then there is no need for you to vote. If it is not acceptable to you then you must realize that to not vote for change is to give the current leader-

ship a vote of confidence and a mandate to keep doing business as usual.

I have put myself up as a candidate this year because I think we need some major changes in attitude on the Board of Selectmen.

I think we need some major changes in the perceived attitude towards business.

I am concerned with a business climate that has caused me to reduce the employees at my business by over 90 percent. I would dearly love to be able to increase the number of employees that I needed. The only way that is going to happen is if every person who wants to work has a place to apply for a job. We have had a number of people come into town with the thought of opening up one business or another stymied by a bureaucracy that seems hell bent on making it impossible.

We have a Planning Board that is also stymied in its attempt to help people get into business by some very restrictive rules and regulations. This Planning Board is staffed by very good and sincere volunteers who are left with no choice but to follow the guidelines that they have been given.

We in Oxford County live in the second most impoverished area in the entire state of Maine. I contend to you that employment is the way out of this unenviable status.

We need a board staffed with some people who have to sign the front of the checks every week who understand and accept the responsibility of being employees.

We need a board staffed with people who understand the impact of new taxes without so much as an explanation.

This latest new tax being bandied about by the Town Office (the paper-bag trash tax) is a tax that his people least able to pay it. If you have a family of four or five you will most certainly have more trash than your neighbors who have already raised a family and are living in a home with just two people.

The Town Office will resist calling this a new tax, but I suggest that any time they take money from me for a town service it is clearly a new tax and I don't particularly care to pay any additional taxes for something I feel I have already paid for in my original tax bill.

Our Police Department, Fire Department, Public Works Department and everyone else who works for the town has to fight tooth and nail for any equipment or staffing they might need.

I am not contending that our department heads be granted every item they may have on their wish list, but they should be equipped and staffed with the things they need to do the job we townspeople expect of them.

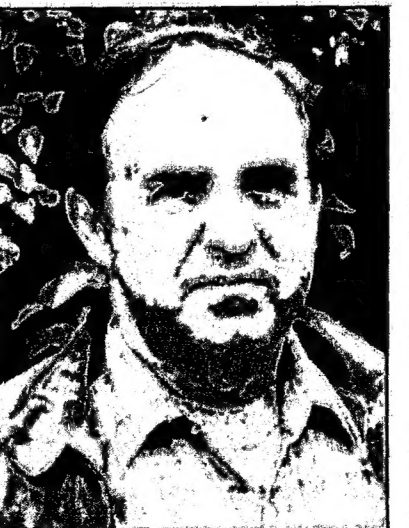

We have a Budget Committee that works very hard to come up with recommendations to the Town Office and they are routinely denied the fruits of night after night of work and study by having their findings ignored.

I don't pretend to have all the answers to all the problems that face our town, but I can promise you this--you will have a selectman who will try to be completely fair to the majority of people affected by any legislation and I promise to never vote for anything that affects my own agenda if it is not good for the town as a whole.

I challenge those of you who vote all the time to consider the question of change and decide within yourselves what to do.

I absolutely challenge those of you who rarely vote to understand that this government of ours, be it local or national, affects each and everyone of us each and every day and beg of you in the strongest terms possible to get out and vote!

--Harry Faulkner

**Arlan Jodrey**  
(Incumbent)

I feel honored to have served on the Planning Board, Budget Committee, Board of Assessors, Fire Department, Board of Selectmen (19 years, several as chairman), as well as two terms as president of Oxford County Municipal Association, three years on the 12-member Executive Committee of Maine Municipal Association, which represents 495 Maine towns and cities.

All of us in Bethel have much to be proud of in our town's recent accomplishments. A great many needed projects have been completed or are now underway. To mention just a few: landfill

closeout (DEP consent agreement); treatment plant update (DEP consent agreement); sewer lines upgrade (DEP consent agreement); storm drain overhaul (DEP consent agreement); in-town streets, sidewalks, utilities upgrade; Air Park building purchase; airport upgrade; Capital Improvement Program (started 1992); upgrade of Odeon Hall space; upgrade of rolling stock, fire, police, ambulance, highway equipment.

Much of this work has been made possible--and far less costly to taxpayers--by the hard work of Town Manager Madeleine Henley and her predecessor Rodney Lynch, whose diligence earned the town nearly \$2.5 million in grant dollars.

But we still face many upcoming challenges, challenges we cannot afford to shirk--unless we want to end up paying far more dearly in the future.

Again, to mention just a few: solid waste disposal; increased recycling; a comprehensive plan update to better deal with the major projects that are unquestionably coming; proper funding for keeping 70 miles of road usable; ensuring that our in-town business district remains viable and healthy; continuing to upgrade our village (trees, shrubs, paint, sidewalks, the common, streets).

Finally, and most importantly, we have been blessed with the highest caliber town employees, and we must continue to search out the best employees we can afford and ensure they have the training they need to keep pace with ever-changing times.

Bethel is a special town. It is considered in municipal circles as being very progressive, and our ordinances, rules and regulations are in demand from other communities throughout the state.

Members of the Board of Selectmen are constantly faced with difficult decisions, decisions that are bound to leave someone unhappy. And these decisions are even more difficult--and painful for us--during hard economic times.

But these are decisions that must be made, and if reelected I will continue to strive to make the best possible choices for our town, its taxpayers and its future.

--Arlan Jodrey

## For School Board:

**John Brown**  
(Incumbent)

Following service on the SAD 44 board of directors for all but 30 months of the past 23 years, John K. Brown will be seeking election to a fourth consecutive term in Bethel municipal voting on Tuesday, June 8.

First elected in March of 1970 following an unsuccessful effort a year earlier, Brown served two successive terms prior to an election loss in March 1976. Defeated again a year later he was named to fill a vacant seat on the board in April 1977. After an initial decision not to seek election in 1981, a write-in effort was unsuccessful. In October of that year the local selectmen again named him to fill a vacancy. Brown resigned from the board of directors in the winter of 1983, effective on the date of the annual election then held in March. Again elected in March 1984, he has been re-elected in 1987 and 1990.

While on the board Brown has served on the negotiations, policy and personnel committees, and currently chairs negotiations and personnel. He was also active on superintendent search committees in 1970, 1972, 1980 and 1993. During his tenure as a director he has also served four years as board chairman and five years as vice chairman.

Brown has stated that he believes his knowledge of the make-up of the local district, board policies, negotiated agreements, and an effort to be as current as possible with the content of state statutes and regulations, merits consideration by the Bethel voters.

He also believes that his experience will continue to be of value on the 17-member SAD 44 panel as it enters upon the financial and curriculum uncertainties of the mid- and late-1990s that will have to be dealt with by the board and the new superintendent, Ronald Jenkins, who will assume his duties in July.

For over 40 years prior to November of 1987, Brown was associated with the Bethel Citizen and was its editor for 21 years. He also served from 1966 to 1970 on Bethel's Board of Selectmen, one year as chairman.

John K. Brown

**Debra Dohrmann**

I am running for a seat on the School Board for many reasons. I am a SAD 44 parent. My son, Benjamin, is currently a second-grader at Crescent Park School. Daughter Anna will be entering the newly renovated and expanded CPS as a kindergarten student in the fall of 1994. Consequently, I am personally interested in the quality of education available to my children and their peers.

As a preschool volunteer in college, English teacher at Gould, SAD 44 adult education instructor, and CPS volunteer and tutor, I have been involved with and committed to education for many years. I am interested in educational philosophies, research, trends and innovations in the U.S. and abroad. I would like to bring my experience, interest and enthusiasm to the board.

I am also a proud member of the Bethel community. My husband, Richard, and I moved to Bethel in 1980, and have made it our home. We are both employed at Gould, and are members of the West Parish Congregational Church, where Richard is a deacon and I am head of the education committee. I am also vice-president of the Mahosuc Arts Council, and past member of The Bethel Planning Board and Site Plan Ordinance Committee. I was also on the CPS PTA Addition Committee.

I would appreciate the support of the Bethel voters on June 8.

--Debra Dohrmann

**Fran Tyler**

In my job I am in contact with a great many taxpayers and their input is the reason that I have decided to seek a seat on the School Board.

Bethel is made up of many types of taxpayers--from mill workers to the elderly.

Because of the heavy burden already on taxpayers, I feel now is the time our money needs to be spent a bit more wisely.

I have many concerns about the needs of our students. I'd like very much to learn more about where our tax money goes, not just the total budget figure.

The district's main concern should be the quality of education for all students, balanced throughout the school district.

The district has an obligation to all students. I'm worried that "middle-of-the-road" students are not getting all the services they need.

I think we need to take a closer look at all services provided to SAD 44 students, to insure that every one of them gets a quality education.

One way to address rising costs may be to reduce administrative costs. Teachers could be made more accountable for classroom disciplinary needs, which in turn might eliminate the need for an administrative disciplinarian.

Balancing cost and quality is a difficult task. But we must be answerable to the taxpayers for all costs. In this economy cost does matter.

I do not have all the answers, but I'm willing to learn what the board is up against and work towards achieving an efficient, cost effective school system that we can all live with.

--Fran Tyler

## West Paris

By MIRIAM INMAN

Allen Lamb of Santa Fe, New Mexico was at his parents, Newton and Joyce Lamb's during the weekend.

Joseph and Peg Perham have returned home after a two-week trip to California where they visited with their son David and family, also their granddaughter Jara Gizinski.

The Proctors and the Scotts were in Stratton for the weekend.

Benjamin Laino enjoyed having a party on Sunday to celebrate his sixth birthday. Those present were Grammie and Grampa Robert and Shirley Brocato from West Buxton, Tony and Barbara Brocato, Sam and Peter of Naples, Joan and Clayton Douglas and Derek of South Portland and Vernon and Miriam Inman. After Ben opened his presents, a dinosaur-decorated cake and ice cream was served.

The minor league A-team has played two baseball games and they have won both games thus far.

Forward Fellowship met Monday evening with 10 members present. Some plans were made for the Rummage and Food Sale which will be on June 19. The next meeting will be on June 28 at Beryl Bonney's cottage. Members are to bring a bag lunch. Pokeno will be for entertainment.

The annual fir party will take place on June 8 at Lettie Brooks' farm. The dinner committee is Lettie and Joyce Lamb.

Friends of the Library will be having a meeting on June 1 and June 15 at 6 p.m. at the library. All those interested in the library in any way are urged to attend.

Mary Bessey of Livermore Falls is spending several days with her sister Ann Proctor and family.

Lempi Cyr is very uncomfortable

at home with a broken rib after having a fall. Hope she can feel better soon.

Arlene Farr returned home from the hospital after having surgery and is gaining real well.

## North Newry

By GIL SEELEY

The members of the "Newry Bowling Gang" who went to the Oxford Hills Lanes last week were: Louise Tetley, Bea Lowell, Doris Parent and Gil Seeley. Of the "Lefties," Gil was high on the triples and singles. Of the "Righties," Bea was high on the triples and singles. On an extra string, Bea was the high scorer. Louise had one spare, Gil one strike and two spares, Doris one spare, and Bea three spares. The members went to lunch and did some shopping.

Recent guests of Ras and Karlene Bachelder were George and Claire (their daughter) Romano of California; Paul O'Donnell and Michelle Josephson, their grandchildren from Portland; Karlene's mother, Julia Goodwin, and friend Grace Stevenson of Unity; Jeff and Nancy Hayes and son Austin and baby J.C. of Poland.

Don and Christine Bachelder and son Bret of Naples, Fla., are visiting with his parents, Ras and Karlene Bachelder and Christine's parents, Homer and Edie Smith of Bethel. They are here to attend the graduation of Don's daughter, Tracy Bachelder, at Gould Academy.

Iris and Bob Pelletier of North Windham called on Louise and Norman Tetley last Tuesday and had a nice visit.

Paul Senecal and friend of Gardner, Mass., spent the Memorial Holiday with Paul's grandparents, Louise and Norman Tetley.

Get ready, get set for the great

Lawn Sale of the Windy-Valley Sno-Mobile Club at Newry Corner on Saturday, June 5.

Theresa G. Toft of Harrisville, R.I., is spending some time here in North Newry visiting with her Aunt Gil Seeley and taking in the Memorial Day festivities.

If your child wants to go to Storyland on June 25, please call Lisa Vail at 824-3530 before June 16 to sign up.

## Bryant Pond

By ALICE HOYT

The Bryant Pond Baptist Church will hold a Baccalaureate Service on Sunday, June 6 for all 1993 seniors. Everyone is welcome to attend. This starts at 10:30 a.m.

The Woodstock Senior Citizens will meet on Thursday, June 3 at the Country Way Restaurant for their meeting and dinner. There will be a silent auction; each one please bring something for it.

The Woodstock Alumni Association will hold their banquet on Saturday, June 12 at Telstar High School Cafeteria at 6 p.m. Special guests are the classes of 1923, 1933, 1943, and 1993 Telstar seniors from Woodstock and Greenwood.

Beatrice Farnum attended the graduation of her granddaughter Crystal Chase on Saturday at Stratham, N.H. President Bill Clinton was the speaker. Others attending were Mr. and Mrs. John Chase, Mrs. Helen Chase, Mr. and Mrs. Robert Stevens, Keith, Jennifer and Danny, Mr. and Mrs. Andrew Chase and Liza and Eric Beane.

On Sunday Mr. and Mrs. Kenneth Hoyt, Jo Ann Crockett and Beatrice Farnum attended a bridal shower for Gwenn Giles at Sanford. Gwenn will become the bride of Robert Hoyt on June 5 at Wells.

The Historical Society points out that Shakespeare refers to one of his plays as "a strange eventful history." Often literature does include much historical information. Be sure to visit the Historical Museum Saturday afternoons this summer. There is much to see and enjoy there, and your support will be appreciated. The Museum opens June 5.

Franklin Grange 124 will meet on Monday, June 7 for Memorial Service with Joyce Hoyt and Deaf Awareness by Bertha Benoit.

Sympathy is extended to Margaret Scitote in the loss of her brother.

## Upton

By ARLINE BERNIER

The bead class met Wednesday evening at the Ladies' Aid building. This is open to all interested in making bead mats and dollies. The building will be open Saturdays from 10 a.m. to 4 p.m. for all those interested in working together for

the fair. Again, one does not need to join the Ladies' Aid to work on these projects.

Several relatives and friends hung a May basket at Heritage Farm last Sunday followed by a cookout.

We are waiting impatiently for a decent road.

Simonne Lavallee had an operation on her eye recently and is happy with the outcome.

Frank and Gert Pooler are spending a long weekend at camp.

Margaret Mitchell returned home from St. Petersburg.

The Ladies' Aid held their annual meeting. Officers elected are: president, Simonne Lavallee; vice president, Terry Beauchene; secretary, Lucille Largesse; treasurer, Elsie Fuller.

Two new beds of strawberries and three new beds of raspberries have been set out on Heritage Farm. Farmhand Laurie Brown is pleased that the job got finished in time for her to bake bread and pastries for Memorial Day customers.

The apple trees are unusually beautiful as they are in full bloom.

## So. Woodstock

By OLIVE R. DAVIS

The Historical Society has many items produced to sell. Purchase some at the Museum this summer and help support this nonprofit organization. Leaving a donation for the Society is also greatly appreciated.

What form of literature do you enjoy most? Do you like novels, poetry, plays, short stories or essays? -Larry A. Billings, Curator-

Mr. and Mrs. Arthur Andrews and Esther Davis spent the day with Olive Davis on Monday. Arthur mowed my hand-mowing lawns in front of the house. The girls raided my rhubarb patch and brought up a lot of it for us to prepare to freeze, which the three of us did pronto. One of us washed, another cut it up, and the third one bagged it for freezing, and they put it in the freezer ready for winter this early. Don't mention winter yet, we are still waiting for warm weather this June coming up.

The Historical Society has many exhibits for you to see on Saturday afternoons. There are products for sale as well. Come and see us.

Patricia Tibbets picked up her mother, Esther Davis after church on Sunday. They motored to Carthage where they placed flowers on Esther's parents' graves. From there they went on to Weld where

they ate a picnic lunch at a turnout made purposely to view Lake Webb and the surrounding mountains. The scenery was spectacular. Then they went to Wilton and North Jay where Esther visited with her sister and husband, Mr. and Mrs. Clyde Hines. Patricia visited with some friends.

Harry Hutchinson used Esther Davis' mower and mowed my front lawn Thursday. My mower was broken down so Western Auto picked it up Thursday for repairs.

The grass has been popping into the air lately now that it is warmer. It is a pretty green. Our lilacs decided to rest this year. Others have beautiful lilacs everywhere. Last year the trees didn't blossom but are better this year.

I had some lovely carnations given to me by Roger this week. I appreciate his thoughtfulness very much. Many thanks, Roger.

## Songo Pond

By ALICE KIMBALL

With the loons, ducks, blue heron and other aquatic birds, a pair of moose are enjoying the waters of Songo Pond. They are traveling now, so be alert.

David Salway, with his brother Barry from Laconia, N.H., attended the final services for his uncle Clarence Morgan and interment in Naples recently.

One afternoon last week with neighbor Debbie Michaud we spent some time on the back roads I hadn't been over in years, namely the Crocker Pond area and campground, Mason Cemetery and township, West Bethel, including Chestnut Hill development, Gilead area and across the river and home by the Northwest Bethel Road. The scenery is beautiful now.

On Friday I rode to Plymouth, N.H. with Dottie Adams to bring Erin and her goods home from college-another beautiful ride! Then I spent the weekend in Otisfield. Saturday I went with Ethel to Belfast and home by way of Unity and visited my brother and wife there.

Congratulations Debbie Barker on receiving your degree from U.M.F.

Children may close their ears to advice, but they keep their eyes open to example.

Mrs. Louise Newton has returned to her cottage here after wintering in Florida.

## Greenwood City

By COLISTA MORGAN

Sunday, May 23 was a gorgeous day, as perfect as it could be.

The green world has begun to catch up with itself. The birches

popped into leaf, the aspens flutter with fine silvery green and the maples have big leaves so there are great patches of shade, where only yesterday there was sunlight. Apple blossoms are in full bloom and lilacs are in flower. The whole dooryard is flowery and perfumed.

When I go to find a certain flower, I find it but along the way I find many others. The fields and woods are so fascinating and one never learns all.

The dragonflies have arrived. They catch midges and mosquitoes that arise from the grass. They capture their prey as they cup their six legs into a kind of basket. They are so skillful they can out fly a midge, scoop it into a basket of legs, then pass it up to their mouth with two forelegs and eat it while pursuing another midge. So they can capture them by the score. There are plenty left it seems to me. Dragonflies can dart, dive, side slip and almost somersault in air, flashing in sunlight all the while. Years ago they were called "snake feeders" or "devil's damning needles" or "horse stingers." Those who were superstitious told tales of how they would sew up your mouth.

A dragonfly is harmless and one of the best insect friends.

"He never sews," a mother said.

"He eats mosquito meat instead." I often watch the pond to note the changes. The waves tell the direction of the wind. The rain on the pond seems to reach up with tiny fingers to grasp drops. It's fascinating and has a pattern. There are gaps in the surges of waves. On land this variation is seldom seen.

This week was a busy one for me. I worked on my flower gardens on Monday. Tuesday, I placed my little fences and used my garden weasel. Wednesday, Dot Betts took Avis Stelhorn, Doris Slatery, Louvie Coffin and me to Lewiston where we had lunch then went to Gray to spend the afternoon with Doris Hayes. It was an enjoyable day. We were sorry that Dorothy Ross was unable to go with us and Lettie Brooks stayed with her husband who was just home from the hospital. On Thursday, Dot Betts and I visited Lettie and Carl Brooks.

On Tuesday, Rana Curtis and I also visited my brother, Ernest Curtis, and a cousin "Ab" Pratt in Poland.

Sunday, Mary Holt had a birthday party in the afternoon, so the family gathered for that. Mary said, "I'm a decade old today."

Robert Holt came from Windsor toward evening and stayed for the night so he and his mother could leave early Monday morning for Boston where Fay had an appointment with her eye doctor.

## Pain doesn't have to rule your life.

Does chronic pain dominate your life? Do you have trouble sleeping through the night? Is it difficult concentrating on your work? Are the smallest pleasures beyond your grasp?

Chronic pain takes many forms, from disabling arthritis to headaches and back pain. Whatever the causes of pain, it can render you helpless and dependent on drugs.

If you're missing the important things in life because you're in

constant pain, you can be helped.

The Pain Rehabilitation Program at Rumford Chiropractic Center can help you begin to function again.

Experts with a combined experience of over 45 years teach you ways to manage pain and get more control over your life, in a program tailored to your individual needs.

Take back your life.

## East Stoneham

By ELEANOR NELSON

What a lot of things going on in such a little town.

David Taylor and friend from Portland called on Gladys Kilgore on Sunday. Eleanor Smith is getting along nicely after her surgery. Surgery is no picnic she found out and it takes a while to get back to normal. Loretta Andrews is getting along good after her surgery and is staying at the present time with her son and wife in New Hampshire. Wilda Wallace is also getting along good after having a broken leg. She would probably appreciate calls and cards.

Helen and Harold Strout are at home after being away to Buffalo, N.Y., with their grandchildren while their son and wife went to Europe on business.

Tuesday night there was a supper planning meeting at the Church vestry. There is a lot of work involved in planning these church suppers and all any help is surely appreciated. There were about eight members present.

Tuesday night the firemen had their monthly meeting at the Stoneham Fire Station with about 10 members present. It was noted that the Stoneham Republican Committee donated \$25 to them for use of the fire station for their yearly supper meeting. June 5 is the date for the Firemen's Booster Supper with a menu of ham and roast beef.

The Daughters of Union Veterans of the Civil War Hannah F. Richardson Tent 19 met Wednesday night at the K. of P. Hall here with eight members present. Final plans were discussed for the Memorial Service at the Church lawn on Sunday and the parade following. The charter was draped in memory of departed Past Department President. A memorial service and program was held for the deceased members of the tent by placing red, white, and blue carnations by the Bible and prayer and calling the names of members no longer with us. A reminder was told about the upcoming convention in Waterville on June 24, 25 and 26. An investigating committee was named on an application to be received. Leslie Dean won the mystery prize of the evening. The meeting was adjourned by President Mary Beth Jones. Following the meeting a nice lunch was served by Carolyn Heino. Under good of the order, it was noted that a donation was made to the Daughters of a dozen carnations by Carole Nelson and a card of thanks will be sent to her. The next meeting will be held at the home of Leslie Dean and there will be a program regarding the disposal of old, worn out, tired

flags which are no longer presentable.

The selectmen gave their approval for the Stoneham Rescue to hold their beano games at the Rescue Barn during the next year. The state has to issue the forms but the selectmen have to sign them. I believe they have them during July and August.

On Saturday, May 22, Frances and Robert Grant and myself attended the wedding of our nephew, John W. Files to Doris Bartlett of Rumford at the Nazarene Church in Norway with reception following in the church vestry. Everything went really nice and we wish them much happiness in their future together.

## Locke Mills

By CRYSTAL LAKE

Crystal Chase graduated from N.H.T.C. at Stratham, N.H. on May 22 with a certificate in health occupations. President Bill Clinton was the speaker. We think this is quite an honor for a small-town girl to have the President shake each of their hands as they received their certificate. Crystal will be returning to N.H.T.C. of Stratham in the fall for surgical technology which is a two-year program. She graduated from Telstar High School in 1992. She is working this summer at the Norway hospital and Lakeside Restaurant in Locke Mills. She is the daughter of John and Leatrice Chase.

Vera Cross called on Bea Burris last week.

On Saturday, May 22, Dwight, Janice, Dustin, Lee and Mary Mills went to Blaine and Margaret Mills' home on North Pond for supper. They celebrated Mary's birthday which was on the 22nd. They also celebrated Blaine and Margaret's 10th anniversary which was on May 21. Margaret also had a birthday on May 23.

## High Street

West Paris

By RUSSELL YATES

This 24th day of May started out sunny, but now it has turned to cloudiness and the weatherman says showers may become part of our day. I don't know about you good folks out there, but I'd like to see a nice, easy rain. Anyway, that's enough of that so back to our doings for the past week.

Monday evening Peggy and I attended Children's Night at Franklin Grange. Some of the children from the Woodstock School came to our Grange meeting to help entertain us. The children did a very good job entertaining and we learned what good whistlers some of them are. We enjoyed them very much.

Our State Grange deputies, Myrtle and Lewis Bisbee from Mechanic Falls, were with us for instruction at the business part of our meeting.

Peggy went to Portland on Tuesday to attend a Gold Star Meeting of the retail merchandisers and officials for the Ambassador Card Company in the surrounding area. She enjoys these meetings, as it helps them to know of anything new that the company may be coming out with and she enjoys meeting and talking with the other merchandisers. Peggy visited with our aunt, Doris Hayes, in Gray on her way home from Portland and then returned to the home of Myrna and Bernard White in Auburn. She spent Tuesday night and much of the day Wednesday with them before returning home.

Thursday was a busy day for us. Peggy did some baking in the forenoon as well as preparing a casserole to be taken to Grange at night. I was inside and made myself available as the automatic dishwasher. Pauline Kennison and our nephew, Gary Yates from Baltimore, Md., came in time for lunch, so they both joined us. Gary enjoyed the strawberry-rhubarb pie that Peggy had made, as well as all of the other home cooking. Gary came last Saturday and is glad to see relatives and friends before returning to Baltimore on Saturday. Thursday afternoon, Peggy, Gary and I went to East Andover to visit Laura Hutchins. Her daughter and husband, Preston and Loreen Cobb and family came to visit Laura, so Gary had a chance to see them also. We came back home early as we planned to attend supper and Past Master's Night at West Paris Grange. We had been asked to take the offices of Assistant Stewards at this meeting. We like our offices as Assistant Stewards and are always glad to help out.

I wish to remind all Pomona Grange members that our next meeting will be at West Paris Grange on June 1 with a potluck supper.

There will be a dance with the Richard Felt Orchestra at West Paris Grange Hall on June 5 and again on June 12.

Saturday, Impi and Raymond Mack accompanied Victor and Sonja Haverinen to Sebec and Dover South Mills to visit the cemeteries there in preparation for Memorial. They also stopped in Palmyra to visit Frank and June Turner. Jennifer Haverinen spent the weekend with the Lovejoy girls.

On Sunday, a birthday party was given for Impi Mack. Guests attending the party were Glen and Gloria Gray, Sonja and Victor Haverinen and the Lovejoy family. We wish Impi many more happy birthday parties.

**WITCHY RAFFLE**—Phyllis Dock, of the Middle Intervale Meeting House Society, holds a wood witch carved by 1991 Adult Education Teacher-of-the-Year Mike Murphy. The society is raffling off the wood witch to benefit the Country Crafts Show at the meeting house on Aug. 21. The show will feature handmade quilts, bird carvings, wool spinning and other local crafts. Anyone who would like to exhibit their quilts should contact Virginia Keniston of Cross-Country Quilters. Other crafters who want to exhibit and those who want more information can contact Dock at 824-2778. The wood witch is currently on display at the Bethel Savings Bank. Tickets are also available at the bank.

## Elderwood Manor

By FLORENCE HALL

Marion Bodwell visited with Alma Hewey recently.

Gertrude Hutchins went on the bus to Rumford on Wednesday.

Nephew Louis Hall, Roxbury took Florence Hall shopping on Tuesday.

Anne Fox and Gertrude Hutchins had lunch at the school on Tuesday.

Louise Powell, Hale and Bernice Wing, Dixfield visited with Alma Hewey.

Anne Fox attended supper at the Church Saturday night.

Elizabeth Sennett, a former tenant at the Manor, and daughter Charlotte called on friends here recently.

Thought of the day:

When I pass by a church,

I stop in for a visit;

So when, at last, I'm carried in

The Lord won't say, "Who is it?"

--Bishop Sheen--

## East Bethel

By NANCY MERCER

Charlie and Polly Smith attended the graduation of Andrea Smith, daughter of Gary Smith, from U.M.F. on May 15.

Alder River Grange held a regular meeting on May 14. Worthy State Deputy Connie Tuttle of New

Century Pomona visited and gave instruction. Worthy Sister Althea Fish of Mt. Sugarloaf provided music.

Mrs. Ruth Bethel of Brooklyn, N.Y. is visiting Mr. and Mrs. George Bethel for the summer.

George Bethel made the Dean's List at the New Hampshire Technical College of Berlin for the spring semester.

Gertrude Hinkley, her mother and some sisters were in Greene recently visiting and going to the cemetery.

Mr. and Mrs. Dean Farrar have seen two moose recently on the Middle Intervale Road.

Betsy Morton was the winner of the Ambulance cake raffle.

Sympathy is extended to the family of Attorney Charles Cutting, a very active member of the community who died at the age of 86 on May 23.

Continued from page 1

Rebels into the playoffs. The offense was led by catcher Bernier and center fielder Bennett; both batted .512 for the season.

Percival led the team in hits with 25, Bernier, Bennett and Gauthier had 21 each.

Percival hit .510; Gauthier, .420; sophomore Amy Patten, .433; Kangas, .388; senior Mae Lynn Patten, .321 and senior Suzann Richardson, .300.

The top three RBI leaders were Percival with 27, Gauthier, 26 and Bennett, 22.

Bernier scored the most runs with 29; Percival, 27; Kangas, 25 and Bennett, 23.

Richardson led the team with eight sacrifice bunts.

Coach Lunney said the Rebel defense was led by two of the strongest arms in the Mountain Valley Conference—catcher Bernier and center fielder Percival.

Taking duty at first base were Bennett and sophomore Laura Seames. The rest of infield consisted of senior Faye Luxton and Richardson at third, with Luxton moving to second late in the season, Gauthier at short and junior Misty Hutchins on second early in the season. Junior Jen Bean also played as a utility infielder.

Shagging balls in the outfield were Amy Patten in left and Mae Lynn Patten in right. Kelsey Cross, side-lined by an early season injury, has been backing up in the outfield since her late-season return.

If the Rebels continue their winning ways throughout the playoffs, both pre-state championship games will be held at home.

Saturday, Telstar will meet the winner of Thursday's preliminary round game. The quarter final game will be held at Telstar.

## Baseball

Continued from page 1

pitched. He struck out 24, walked 23 and allowed 27 hits and 36 runs.

Pitching for a combined total of 84 innings were: senior Steve Remington, with a 3.50 ERA; junior Chris Howe, 5.79 ERA and senior John Thurston, 0.00 ERA.

Rebel bats were cool this season, according to Coach Remington, but the boys hit and ran well enough to put them in the playoffs.

The team batting average was .265. Emery led Telstar with a .349 average, followed by Gilson with .318; Howe, .297; Steve Remington and freshman Adam Newell .294; Tim Remington, .283; sophomore Peter Miserochchi, .214; freshman Josh Adams, .200; junior Bill Chase, .167 and Thurston, .143.

The Rebels had few extra innings hits. Howe hit the team's only home run. Tim Remington, Gilson and Miserochchi each hit one triple. The team hit eight doubles in the regular season.

Defensively the team posted a .915 fielding average. Behind the plate Miserochchi led the team with a .992 fielding average. Pitcher and center fielder Emery was second with a .957 average.

For the season, Telstar scored 90 runs, had 100 hits, 34 errors, 58 stolen bases, 11 sacrifices, 70 RBI, drew 80 walks and struck out 99 times.

Thursday's preliminary round game will be held at Erskine Academy.

**PLAYOFF BOUND**—Telstar High School's Danielle Bernier beats the ball to the plate during Friday's final game of the regular season. The Rebels (13-1) beat Winthrop 10-2. Pam Bennett had three hits including a triple and three runs batted in. Noelle Gauthier contributed two hits and Jen Percival had a hit and two RBI. Wednesday the girls beat Madison 7-2. Last year, the Bulldogs eliminated Telstar from the Western Maine Class C playoffs. Bennett had three hits Wednesday for three RBI. The top-seeded Rebels begin their 12th run for the State Class C Championship in the quarter-final game on Saturday at home against the winner of Thursday's preliminary round game. The

Telstar baseball team (7-7) lost their final game of the regular season on Friday to Winthrop 4-1. The Rebels seeded 11th in Western Maine Class C and begin post-season playoffs Thursday away at six-seeded Erskine Academy in South China. Wednesday the Rebels beat Madison 10-9. A bases-loaded walk in the top of the seventh inning to Josh Adams forced in the game-winning run. Telstar's Tim Remington went on to strike out the side in the bottom half. Nathan Emery had two hits. Thursday Telstar beat Mt. Abram 12-8. The Rebels took advantage of 17 walks by Roadrunner pitching. Telstar's Sean Gilson racked up nine strikeouts in his seven innings of pitching.

## Agnes Gray School

By MARTA CLEMENTS

Parents, relatives and friends, please make note, or clip out, the following list of important dates coming up for the month of June. No doubt more will be added, but for now:

June 2, Wed., 6:30 p.m., gym, DARE Graduation, Fifth grade.

June 3, Thurs., sixth-grade field trip to Kettle Cove.

June 4, Fri., rain date for Kettle Cove.

June 4, Fri., 11 to 12 a.m. and 1 to 2 p.m., Book Swap.

June 5, Sat., 10 a.m. to 1 p.m., Community Day, all welcome.

June 6, Sun., 12 to 2 p.m., rain date for June 5.

June 7, Mon., field trip to Gray Animal Farm for grade two.

June 15, Tues., Field Day at Hebron, grades four thru six.

June 16, Wed., rain date for Hebron.

June 17, Thurs., Step Up Day for grade six.

June 18, Fri., alternate Step Up Day if necessary.

June 21, Mon., Awards Assembly, 1:30 p.m., gym. Grades one thru six.

June 21, Mon., 3 to 4 p.m., Appreciation Tea for volunteers.

June 22, Tues., last day of school. It will be a full day.

June 22, Tues., 1:30 to 2:30 p.m. annual faculty/student softball game.

The plant sale sponsored by the parent volunteer group was extremely successful. Many thanks to all those donating their plants, their time and their expertise. We definitely plan to do this another year.

Our second annual Community Day will be held on June 5. We have several projects lined up for both student and adult volunteers. We want to put flowers around the flag pole. These have already been donated by Lee Farrar. Thank you, Lee. Our all-purpose storage room needs to be organized, including all our costumes. There is always litter to be picked up. We also plan to play games and have a picnic. We will provide hot dogs and cold drinks. Please bring chips or a salad, or something to share. If Saturday is raining, we will try to accomplish all this on Sunday.

JUST SAY NO, NO THANKS, NO WAY—Telstar Middle School sixth-grader Malinda Gilbert, right, tries to tempt classmates Eva Taylor, left, and Heidi Kanes into trying some home-grown "marijuana" (marigold seedlings) during a DARE sketch last week. DARE classes at Telstar, taught by Bethel police officer Darren Tripp, are working on skills which demonstrate how to say no to drugs regardless of the peer pressure applied. Some of the strategies taught are: just saying no, the broken-record technique—saying no repeatedly, changing the subject or walking away. This year's DARE graduation is scheduled for June 13 at 3 p.m. in the Telstar auditorium.

## CPS STUDENTS GET EXTRA SUMMER VACATION DAYS

Superintendent Dewaine Craig announced last week that June 17 is the last day of school for students at the Crescent Park School.

All other SAD 44 students will remain in classes until June 21.

Maine Department of Education Commissioner Leo G. Martin waived the last two instructional days for CPS students due to renovation plans at the school.

Teachers at CPS will work both June 18 and 19 packing up their classrooms to prepare for asbestos removal, according to Craig.

Contractors are scheduled to begin removing asbestos from the CPS school on June 23. Classroom items will be placed in storage while asbestos removal and renovations are completed this summer.

Construction of the school's \$4.9 million addition is slated to begin later this summer.

## PACE service honored

Saturday, May 22, PACE was given the 1993 Systems Excellence Award for the State of Maine at the Annual Maine Emergency Medical Services (EMS) Conference in Augusta. This award recognizes the expertise, dedication and cooperation of the PACE crew.

PACE, a department of Stephens Memorial Hospital staffed by 21 paramedics, 11 EMT-I's and 8 EMT Basics, provides 24-hour-a-day care with multiple paramedic crews on duty at all times. Paramedic Alliance for Community Emergencies (PACE) was formed in 1990 to provide state-of-the-art paramedic care for the Norway-South Paris area, and provide advanced life support skills for the surrounding rescue services. The yearly call volume of PACE is 1,800 calls, which includes emergencies, transfers, Advanced Life Support (ALS) backup, and emergency transfers.

PACE employees are also involved in other hospital and community activities. These include instructing community CPR and first-aid classes, teaching fire fighter first-aid classes and state sanctioned EMT classes, addressing local civic groups, visiting local schools,

providing support to local fire departments and medical coverage at athletic events.

PACE has taken a leadership role in organizing joint training exercises involving area fire and police departments, the U.S. Coast Guard, local rescue squads and emergency room personnel. Recognized as a leader in EMS training, PACE has provided an extraordinary number of continuing education courses. In the past year, hundreds of hours of instruction have been provided not only to its own staff, but to members of local volunteer services, hospital personnel and nursing students. Many training courses have been videotaped to provide the material to other rescue squads in the area.

"The men and women of PACE Paramedic Service are proud of our accomplishments and will continue to strive to provide quality emergency medical care to the citizens of our communities," said Ronald Dearth, PACE paramedic.

PACE Paramedic Service is located at 80 Main Street in Norway, beside Stephens Memorial Hospital. PACE serves the Norway, South Paris, and Hebron areas and can be reached by calling 743-0700 or 1-800-675-1122.

1993 READING RECOVERY GRADS—Receiving certificates for completing the Reading Recovery teacher training class are Deborah Shaw, left, Kathleen McCluskey, Andrea Nasatowicz-Bernard, Jean McGuire, Peggy Susbury, Jill Lewis and Sharon Monroe. (Photo by Wendy Hanscom)

## Reading program teachers pinned

Paula Hatfield, director of the Reading Recovery Training Center at the University of Maine, Orono, spoke at the pinning and certification of seven area teachers who have recently completed Reading Recovery teacher training at the local site. The program was held Thursday at Woodstock School Multipurpose Room.

Three SAD 44 teachers were among the graduates receiving pins. The seven teachers are Andrea Nasatowicz-Bernard, Meroby School, SAD 43; Jill Lewis, Crescent Park School; Jean McGuire, Woodstock School; Sharon Monroe, Rumford Elementary School, SAD 43; Deborah Shaw, Songo Locks School, SAD 61; and Margaret Susbury, Woodstock

School.

The teachers received state of Maine pins and certificates signifying that they have met the training requirements as specified by the National Diffusion Network and the university. The training is a combination of academic clinical experience. The academic part is a six-credit, graduate-level course of the university which requires them to attend after-school classes held at Woodstock for 30 weeks.

Melanie Ellsworth, certified RR teacher trainer and adjunct faculty member of U.M., was their instructor for the course work.

The principals who have supported these teachers throughout the year are: Anne Chamberlin, Rumford Elementary School; Melvin

Burnham, Meroby School; Bonnie Reidman, Songo Lock School; Francis Boynton, Woodstock School; and David Murphy, Crescent Park School. In all of these participating districts and schools, Reading Recovery is sponsored through the Chapter 1, ESEA.

The Bethel Co-op Project for Chapter 1 is administered by Natalie Timberlake, Chapter 1 Coordinator/Reading Recovery Site Coordinator, and Superintendent Dewaine B. Craig.

## WINDY VALLEYS MEETING

The final meeting of the season for the Windy Valleys' Snowmobile Club will be held at the Newry Town Hall at 7 p.m. on Thursday, June 17.

The club reports a good winter of riding well-groomed trails. A late snow accumulation allowed riding into early April. The February oyster stew supper and Saturday ride was enjoyed by over 60 snowmobilers. The club ended the season with 40 members.

This year donations to Oxford County Association of Retarded Children was over \$2,000. This money was earned through the annual October lawn sale and through the generous donations of members of the Bethel area communities and many business organizations.

The club extends its thanks to all who helped us with this donation, and its special thanks are extended to all landowners who allow snowmobilers to ride over their property.

On Sept. 16 the club will start up a new season with election of officers, a membership drive, and planning for winter events and trail maintenance.

### Moses

### Hou

All members are reminded that the meeting will be held June 3 in the meeting room of the Dr. Moses Mason at 7:30 p.m. The program portion of the presentation will be a presentation of the Hanover, Me., which serves its 150th anniversary.

Part of the Hanover was one of the town of Bethel. Morton of Hanover, a speaker, is attending this meeting. Invited to do so.

June promises as the Society program officially on June 19 the Sons of the Maine State family gathering on June 25, 26.

THIS WEEK AT THE  
**Moses Mason House**

All members and friends of the Bethel Historical Society are reminded that the next monthly meeting will be held on Thursday, June 3 in the meeting room of the Dr. Moses Mason House, beginning at 7:30 p.m. Featured during the program portion of the meeting will be a presentation on the history of Hanover, Me., which this year observes its 150th anniversary of incorporation.

Part of the present town of Hanover was once a northern section of Bethel. Ann Hastings Morton of Hanover will be the featured speaker. Anyone interested in attending this meeting is cordially invited to do so.

June promises to be a busy month as the Society prepares to open the museum officially for the 20th season. On June 9, the Buckfield Literary Club will be hosted; on June 19 the Sons of American Revolution, Maine Society will be visiting; the next day the annual Mason family gathering will be held and on June 25, 26 and 27 the Kilgore

Family of America will be in Bethel and many of the family are expected to be involved in using the Society's extensive genealogical collections.

Among the most recent new members of the Bethel Historical Society are Bruce Tucker, Alfred; Roland and Louise Annis, Bethel (Life); Beryl L. Haskell, New Gloucester (Life); Martha Siegel, Bethel; William H. Kieffer III, Marblehead, Mass. and Bethel (Life); Michael Klotzer, Wettingen, Switzerland. A hearty welcome is extended to all of the above.

**LOOKING BACK**

10 years ago: Sean Kersey presented Lincoln's Gettysburg Address at the Memorial Day exercises held in Bethel by the Mundt-Allen Post, American Legion. Charles Mason was installed as commander of the Jackson Silver Post, American Legion and Cathryn Lovejoy was installed as president of the Post Auxiliary. Mary Ann Brown was appointed Vice President and Compliance Officer of the Bethel Savings Bank. Birth: Mary Holt, Joshua Palmer. Marriage: Suzanne Kimball and Thomas Howe. Deaths: Addison C. Saunders, Emi-

ly Cross, Marah Webster.

20 years ago: Lee's Variety Store and Garage in Locke Mills (now Bob's Corner Store) was damaged by smoke and water from a fire which started in the garage. Dr. John Trinward was named chief dental examiner at Taylor Dental School, overseeing Northeast Regional Boards. Susan Farrar's Children's Dance Theater presented "The Wizard of Oz" at Telstar Auditorium. Births: Tammy Mills, Ross Desmet, Kelly Bates. Deaths: Merton Bessey, Achille Poulin, Edith Bailey, Ernest Gallant, Estelle Goggin.

30 years ago: 2,200 persons received the Sabin oral vaccine at the Congregational Church. Ruth Ring and Ethel Bisbee retired from teaching in the Bethel school system. Susan Bryant was selected 1963 Poppy Queen by the Mundt-Allen Post, American Legion. Births: Joel Putnam, Randy Miller. Marriage: Una Stearns and Adelard Pelletier. Deaths: Earle Stevens, Freeman Abbott.

40 years ago: Mrs. Florence Emery presented her piano pupils in recital at the Gould Academy music room. Miss Varner's sixth grade at Crescent Park visited Perham's Mineral Store at Trap Corner. William O'Brien received the Mendall Prize in Physiological Chemistry and the James Hudson Brown Memorial Fellowship as a first-year student at the Yale University

School of Medicine. Marriage: Margery Rowe and Harry Swan, Jr. Deaths: Anne Allen, Almon Jordan, Richard Lawrence.

50 years ago: Postmaster Arthur Herrick announced the Bethel Post Office had been upgraded to a second-class office after being third-class for some 20 years. Lawrence Perry of West Bethel won his "Silver Wings" at a special outdoor ceremony at Craig Field in Selma, Ala. Births: Christian Angevine, Patricia Chase, Donald and Donna Rice. Death: Mary Wyman.

**HANOVER SHORELINE ZONING ORDINANCE**

A public meeting concerning changes in the Hanover shoreline zoning ordinance will be held at the Hanover Town House on Howard Pond Road on Wednesday, June 2 at 7 p.m.

Shoreline zoning regulations have been in effect in Hanover for a number of years. Proposed changes will update regulations to current state standards. Public comment on this issue must be submitted to the state by June 14.

**From the Bethel Police log:**

**Java House employee spooks burglar**

Late Friday afternoon, police investigated a report of a possible burglary attempt at the Java House on lower Main Street. An employee told police the intruders fled on foot when they saw someone was still in the building.

In other police news last week, Thursday a Sunday River Road resident reported hearing an explosion and then losing power at his house. Police checked the area and found nothing suspicious. Central Maine Power was notified and the company reported later that a transformer fuse had blown.

Bethel Police Chief Dale Bellman announced last week that Animal Control Officer Pam Conkright recently completed a training course which certifies her as an ACO.

Bellman is also urging young bicyclists to ride on the right side of the road and stay off sidewalks. A copy of the rules of the road for bicycle riders is available at the Bethel Police Office.

**BETHEL SENIOR CITIZENS**

The Bethel Senior Citizens will meet June 9 at the American Legion in Gorham, N.H., with meeting at 11 a.m. This is a roast beef dinner--price \$8. Membership cards are due; if you do not have yours see Helen Saunders or Sara Stevens. Date of the trip to Naples has been changed to Monday, July 19. More information and sign-up at June 9 meeting.

**HEALTH INSURANCE HELP FOR OLDER PEOPLE**

Trained staff are available at Western Area Agency on Aging to answer questions about Medicare, Medicaid, Medicare supplement policies and long-term care insurance.

For more information call Legal Services for the Elderly Hotline, 1-800-750-5353 or Western Area Agency on Aging, 1-800-427-1241.

## PUBLIC NOTICE

The June Schedule for the Bethel Planning Board will be as follows:  
**Tuesday, June 8, 1993**  
**Wednesday, June 23, 1993**  
 Both meetings will be held at 7:00 P.M. at the Town Office.

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Notice of Application Accepted for Filing with the Commission (May 5, 1993)

Take notice that the following hydroelectric application has been filed with the Federal Energy Regulatory Commission and is available for public inspection.

- Type of Application: Exemption from Licensing
- Project No.: 11365-000
- Date filed: December 2, 1992
- Applicant: Swan Falls Corporation
- Name of Project: Swan Falls Hydroelectric Project
- Location: on the Saco River in Oxford County, Maine
- Filed Pursuant to: Federal Power Act 16 U.S.C. 791 (a)-825 (f)
- Applicant Contact: Lawrence J. Keddy, 5 Gambo Road, P.O. Box 40, South Windham, Maine 04082-0040 (207) 892-4000
- FERC Contact: Mary C. Golato (202) 219-2804
- Deadline Date: July 9, 1993
- Status of Environmental Analysis: This application has been accepted for filing and is not ready for environmental analysis at this time - see attached paragraph D8.
- Description of Project: The proposed project consists of the following features: (1) an existing dam approximately 630 feet long and 10 feet high; (2) an existing impoundment with a surface area of 150 acres, a length of 4.1 miles, and a storage capacity of 450 acre-feet; (3) an existing powerhouse containing one operable and one inoperable turbine generator unit (both to be upgraded), thus increasing the installed capacity of the project from 350 to 820 kilowatts; (4) an existing 34.5-kilovolt transmission line; and (5) appurtenant facilities. The applicant estimates that the total average annual generation would be 4 million kilowatt-hours.
- Purpose of the project: All project energy generated would be utilized by the applicant for sale to its customers.
- This notice also consists of the following standard paragraphs: A2, A9, B1, and D8.
- Available Locations of Applications: A copy of the application is available for inspection and reproduction at the Commission's Public Reference and Files Maintenance Branch, located at 947 North Capitol Street, N.E., Room 3104, Washington, D.C. 20426, or by calling (202) 219-1371. A copy is also available for inspection and reproduction at Mr. Lawrence J. Keddy, 5 Gambo Road, P.O. Box 40, South Windham, ME 04082-0040 (207) 892-4000.
- Development Application - Any qualified applicant desiring to file a competing application must submit to the Commission, on or before the specified deadline date for the particular application, the competing development application, or a notice of intent to file such an application. Submitting a timely notice of intent allows an interested person to file the competing development application no later than 120 days after the specified deadline date for the particular application. Applications for a preliminary permit will not be accepted in response to this notice.
- Notice of Intent - A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant (s) named in this public notice.
- Protests or Motions to Intervene - Anyone may submit a protest or a motion to intervene in accordance with the requirements of the Rules of Practice and Procedures, 18 C.F.R. sections 385.210, 211, 214. In determining the appropriate action to take, the Commission will consider all protests filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any protests or motions to intervene must be received on or before the specified deadline date for the particular application.
- Filing and service of Responsive Documents - The application is not ready for environmental analysis at this time; therefore, the Commission is not now requesting comments, recommendations, terms and conditions, or prescriptions.

When the application is ready for environmental analysis, the Commission will issue a public notice requesting comments, recommendations, terms and conditions, or prescriptions.

All filings must: (1) bear in all capital letters the title "PROTEST," "MOTION TO INTERVENE," "NOTICE OF INTENT TO FILE A DEVELOPMENT APPLICATION," OR "COMPETING APPLICATION;" (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 C.F.R. 385.2001 through 385.2005. Agencies may obtain copies of the application directly from the applicant. Any of these documents must be filed by providing the original and the number of copies required by the Commission's regulations to the Secretary, Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426. An additional copy must be sent to: Director, Division of Project Review, Office of Hydropower Licensing, Federal Energy Regulatory Commission, Room 1027, at the above address. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. Lois D. Cashell, Secretary
